

AZ Broadband Development Council Task Groups Purposes and Goals

Presented September 29, 2011

to

Arizona Broadband Development Council Inaugural Meeting

Galen Updike

Broadband Development Manager

Arizona Strategic Enterprise Technology (ASET) Office

Suggested ABDC Sub-Committees and Task Groups

- **Purposes**
 - **To quickly focus Council efforts on specific issues**
 - **To improve ability to find solutions or reach conclusions**
 - **To expand acceptance of Council's mission by using both Council and non-Council based expertise**

(Public will be asked to participate on Sub-Committees and Task Groups)

Suggested ABDC Sub-Committees and Task Groups

- **Suggested Sub-Committees and Task Groups to be formed:**
 - State Broadband Strategic Plan (iterative, with dynamic use of mapping data)
 - Policy, right-of-way and best practices
 - Community outreach and economic development
 - Provider issues and universal availability
 - Broadband for education and lifetime learning
 - Broadband for health (both personal and industry)
